Soft No's- we have the ability to book rooms at these resorts, but don't work directly with their wedding team

Brand reason

Barcelo low rates, fluctuating rates = frustrated guests, wedding team

Occidental Xcaret no red flags that I'm aware of

Bahia Principe communication varies, Yessica had good experience

Paradisus/Melia VERY fluctuating rates

Atelier So far we have seen that wedding communication is good

La Coleccion : Live Aqua / Fiesta Americana Cancun communication is good. Live Aqua good for honeymoon

The Fives (membership rates are causing cancellations, potentially moving to hard no list)

Couples adults only resorts, Private event space

Karima resorts\n(Azul, Generations, El dorado)

Oceans by H10 Just not top brand

Hard No's - we don't have the ability to book these resorts due to being contract only or not fully all inclusive

brand reason

Excellence/Finest no longer works with travel agents, responds quickly

Hotel Xcaret requires contract, wedding team takes FOREVER

Pueblo Bonitos requires contracts, half all inclusive half contract

Moon Palace/ Le Blanc requires a room block

Sandals/ Beaches Room prices are very high

Velas In order to book a wedding with them
