- Aliveness offers you a unique opportunity to reconnect your body and spirit and to get in touch with nature, with which we all have an instinctive relationship. We invite you to listen to your body, to indulge it with a relaxing treatment or spa session, to engage it with movement, and nourish it with healthy foods. We hope that the well-being you naturally experience while you're with us is so inspiring that it becomes a true lifestyle you take with you wherever you go.
- At the hotel's Sensations Spa, you can relax in the hydromassage tub and sauna, enjoy a soothing massage or opt for a more energizing treatment like a sports massage, oriental massage or reflexology massage. You can also select from a wide array of special treatments including hydrating or exfoliating facials, or stop by the beauty salon for a makeover or get a manicure or wax.
- Dive in deep at the numerous diving spots of Puerto Plata and Sosua Bay: the reefs are rich in corals and exotic marine life like angel fish, trumpetfish, and at times whales, sharks, and manta rays, depending on the season. Once an entry point to the New World, this special area makes it possible to explore shipwrecks like the Zingara. The Dressel Divers hotel diving center organizes tours and outings to the best diving spots in the area.
